WHEREAS, the Board has voluntarily endorsed the practices and procedures of collective bargaining as a peaceful, fair and orderly way of conducting its relations with its employees insofar as such practices and procedures are appropriate to the special functions and obligations of the Board, are permitted by law and are consonant with the paramount interests of the school children, the school system and the public; and

WHEREAS, the Board, on March 8, 1962, adopted a Statement of Policies and Practices with Respect to Representation of Pedagogical and Civil Service Employees for Purposes of Collective Bargaining with the Board of Education (hereinafter referred to as the "Statement of Policies"); and

Nothing contained herein shall be construed to prevent any Board official from meeting with any employee organization representing school lunch employees for the purpose of hearing the views and proposals of its members, except that, as to matters presented by such organizations which are proper subjects of collective bargaining, the Union shall be informed of the meeting and, as to those matters, any changes or modifications shall be made only through negotiation with the Union.

It is understood that all collective bargaining is to be conducted at Board headquarters level. There shall be no negotiation with the Union or its units at any work location or with any other employee group or organization at any other level.

Nothing contained herein shall be construed to prevent any individual employee from (1) informally discussing a complaint with his immediate superior or (2) processing a grievance in his own behalf in accordance with the complaint and grievance procedures hereinafter set forth in Article XXI.

Continuous service is defined as service which has not been interrupted by a break of 31 calendar days or more.

ARTICLE XIX

SENIORITY POLICY

The principle of seniority, as defined below, shall be applied within each job classification, among qualified employees, for the following types of personnel action:

1. Layoff and Recall

For the purposes of layoff and recall, seniority is defined as length of continuous service in the job classification in the district. Continuous service shall include service of no less than six months at a minimum of twenty hours per week as an hourly employee in the job classification at the work location performed immediately prior to the employee's appointment as a per annum or per monthly employee. Where two or more employees in a given title have the same seniority date, total length of service in a position in the bargaining unit shall be used to determine placement on the seniority list. If the seniority dates are the same, a lottery shall be held to determine placement on the seniority list. A Union representative shall be present at the lottery drawing.

For layoff because of lack of work, the employee with the least seniority in the district shall be selected. An employee who is laid off shall have the right to revert to a lower title previously held by such employee provided there is a vacancy or an employee with less seniority in such lower title.

Recall to their Office of School Food and Nutrition Services district of employees who are laid off will be made on the basis of greatest seniority. An employee who is laid off and recalled to his/her Office of School Food and Nutrition Services district within four years shall regain the

seniority he/she had before he/she was laid off. An employee who is not recalled within four years shall be considered terminated.

For purposes of layoff and recall of loaders and handlers who were employed prior to the effective date of this Agreement, seniority is defined as total length of service in a heavy duty assignment. For the purpose of implementing this provision, a joint labor and management committee shall be established to promulgate such a seniority list.

An employee while on layoff from an Office of School Food and Nutrition Services district shall during the first four years of his/her layoff be offered assignment on the basis of his/her Office of School Food and Nutrition Services district seniority to an opening in his/her title in any other Office of School Food and Nutrition Services district in the city before any new applicants are assigned. An employee on layoff who accepts such assignments to another Office of School Food and Nutrition Services district shall begin to earn Office of School Food and Nutrition Services district seniority from the effective date of that assignment. An employee who accepts an assignment to a different Office of School Food and Nutrition Services district shall have the right to return to his/her original Office of School Food and Nutrition Services district before any new applicants are assigned or transferred if a vacancy shall develop within one year of his/her recall. Such requests shall take precedence over other transfer requests.

For purposes of seniority for the high schools each borough shall constitute a separate Office of School Food and Nutrition Services borough and for the warehouse and distribution locations the Warehouse and Distribution Section shall constitute a single Office of School Food and Nutrition Services district.

Employees and the Union will be given ten days notice of layoff, except for compelling reasons. The Union will be given twenty days notice of a mass layoff at a work location or in an Office of School Food and Nutrition Services district/borough except for compelling reasons.

2. Promotion and Changes of Assignment

For the purpose of promotion and changes of assignment, seniority is defined as length of continuous service in the job classification in the Office of School Food and Nutrition Services district among employees within the work location where the promotion or change is to occur.

The work locations are defined as follows:

- a. A school lunchroom.
- b. The offices at Office of School Food and Nutrition Services headquarters, except that the Office of School Food and Nutrition Services payroll and accounting office is a separate work location.
- c. A district office of the Office of School Food and Nutrition Services.
- d. Warehouse and Distribution Section.

For promotion from one job classification within an Office of School Food and Nutrition Services district to a higher job classification within the same Office of School Food and Nutrition Services district the employee in the next lower title with the greatest seniority in the Office of School Food and Nutrition Services district among the employees at the work location, shall be selected.

An employee who is promoted to a higher job classification within the bargaining unit will earn seniority in the higher classification starting with the effective date of such promotion. If, within six months following such promotion, the employee is returned to a position in the classification from which he/she was promoted, he/she will regain the seniority he/she had acquired in the lower job classification up to the effective date of his/her promotion.

For involuntary reassignment from one work location to another, the employee with the least seniority in the Office of School Food and Nutrition Services district at the work location from which reassignment is made shall be selected.

A per annum or per monthly employee who has been involuntarily reassigned on or after July 1, 1968, from one work location to another shall suffer no loss of seniority.

For changes of regular assignment or changes of regular work schedules (number of hours of work) within a work location, the employee selected shall be the one with the greatest seniority in the Office of School Food and Nutrition Services district if the change is voluntary or the one with the least seniority in the Office of School Food and Nutrition Services district if the change is involuntary.

Normal variation of duties within a regular assignment or temporary changes in assignment

made to meet emergencies are not to be considered "changes of regular assignment" under this policy.

In computing seniority in the Warehouse and Distribution Section in the Office of School Food and Nutrition Services district, length of service in any department of the Warehouse and Distribution Section will be included in the total length of service in the Warehouse and Distribution Section in the Office of School Food and Nutrition Services district.

In the Warehouse and Distribution Section only two persons may be promoted, or may be voluntarily reassigned, from any one department to another in any six-month period.

An employee who has had a voluntary change of assignment from one department to another in the Warehouse and Distribution Section shall not be eligible for a period of one year to make another voluntary change.

3. The determination of qualifications for changes in the personnel status of employees shall be made by school lunch supervisors or the Office of School Food and Nutrition Services.

4. Exceptions to this Article, based on qualifications shall have the prior approval of the Director of the Office of School Food and Nutrition Services. Grievances arising out of such exceptions shall be appealable directly to Step 3 of the expedited grievance procedure.

ARTICLE XX

POLICY CONCERNING APPLICATIONS

FOR POSITIONS IN OTHER WORK LOCATIONS

A. Employees may apply for positions in their job classification in work locations other than the one in which they are serving. An employee with more than the equivalent of one school term of continuous service who applies in writing for an opening will be interviewed and, if deemed qualified, will be given preference over applicants outside the school system or employees on layoff for employment in another work location.

An "opening" is a vacancy created by the termination or transfer of a regularly employed employee or a new position assigned to the work location or a position in a newly constructed work location. The determination of qualification for employment in a particular work location shall be

made by the supervisor in charge of the work location.

In the event two or more employees are eligible for an opening, the employee with the earliest date of application will be given preference.

Exceptions to this Article based on qualifications must have the prior approval of the Director of the Office of School Food and Nutrition Services. Grievances arising out of such exceptions shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

B. Senior School Lunch Helpers, School Lunch Aides, Senior School Lunch Aides and School Lunch Assistants may apply and will be considered for openings in the School Lunch Loader and Handler title. An "opening" is a vacancy created by the termination of a regularly employed School Lunch Loader and Handler employee or a new position assigned to the work location or a position in a newly constructed work location. The determination of qualification for employment in a particular work location shall be made by the Chief Administrator at the Office of School Food and Nutrition Services. All openings shall be posted for seven school days in all schools in the district and central headquarters offices.

ARTICLE XXI

COMPLAINT AND GRIEVANCE PROCEDURES POLICY

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reaching an understanding which will dispose of the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the head of the school or to the appropriate supervisor in the Office of School Food and Nutrition Services, a Union staff representative shall be permitted to meet with employees in the unit during their non-working time, within the school or on Office premises, for the

purpose of investigating complaints and grievances, under circumstances which will not interfere with the school lunch program or other school activities. A Union staff representative or shop steward shall be permitted to investigate grievances and complaints during working time only if such grievances require inspection of working conditions at the work place and the inspection does not interfere with the school lunch program or other activities. When necessary, any employee in the unit who is a shop steward in the work location in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his grievance.

INFORMAL COMPLAINT PROCEDURE

It is desirable that any employee having a complaint should discuss it informally with his/her immediate supervisor or with any other appropriate level of supervision.

The employee should request an opportunity to discuss the matter and the supervisor should arrange for the discussion at the earliest possible time. At such informal discussion, the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the work location or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

FORMAL GRIEVANCE PROCEDURE

If the matter has not been disposed of informally, an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period not to exceed 75 days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure. Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedures of the agency having authority over such matters. The grievance procedure does not apply to complaints concerning out-of-title work except that a complaint by an employee that he/she has been assigned continuously after September 1, 1974, for three months or more to the general duties and responsibilities prescribed for a higher title in the unit is subject to the grievance procedure. This exception does not apply in the case of employees who

receive "compensation for special assignments" as provided in Article III D of this Agreement. Other complaints as to out-of-title work are to be referred to the Executive Director, Division of Personnel. It is understood however that complaints of employees in title against out-of-title assignments made to other employees are subject to the grievance procedure.

If a group of employees has the same complaint, a member of the group may present the grievance in the group's behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violation of any term of this Agreement. Such grievance shall be initiated within a reasonable period of time not to exceed 90 days with the Director of the Office of School Food and Nutrition Services.

Grievances arising from the action of officials other than the Director of the Office of School Food and Nutrition Services shall be initiated with and processed by such officials in accordance with the provisions of Step 3 of this grievance procedure.

Following is the procedure for presentation and adjustment of grievances:

Office of School Food and Nutrition Services (Steps 1 and 2)

1. An employee who is employed by the Office of School Food and Nutrition Services shall initiate the grievance at Step 1 with the Office of School Food and Nutrition Services District supervisor.

2. If the grievance is not resolved at the first step, the employee may then appeal the grievance to the Director of the Office of School Food and Nutrition Services within 15 school days of receipt of the Step 1 decision.

High Schools (Steps 1 and 2)

1. An employee who is employed by the high schools shall initiate the grievance at Step 1 with the borough supervisor of the Office of School Food and Nutrition Services.

2. If the grievance is not resolved at the first step, the employee may then appeal the grievance within 15 school days of receipt of the Step 1 decision to the Director of the Office of School Food and Nutrition Services.

Step 3

If the grievance is not resolved at Step 2, the grievance may then be appealed to the

Chancellor within 15 school days of receipt of the Step 2 decision. The appeal at Step 3 shall be accompanied by the letter of appeal and decision at Step 2.

Representation

At each step, the employee may be accompanied by a Union representative or by an employee in the bargaining unit who is not an official or agent of another employee organization. At Step 1, the Union representative shall be the steward at the work location or a Union staff representative, or both. At Steps 2 and 3, the Union representative shall be a Union staff representative or the steward who represented the employee at Step 1 or both.

Conferences and Decisions

At each step of this grievance procedure, a conference shall be arranged by the Board representative, or his/her designee, with the aggrieved employee and his/her representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours, employees who participate shall be excused with pay for that purpose.

Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conference held under this procedure. If the grievance is not resolved at the conference, then a decision must be rendered by the Board representative. The decision at each step should be communicated to the aggrieved employee and his representative within the following time limits:

1. At Step 1, within five school days after the grievance is initiated;
2. At Step 2, within ten school days after the appeal is received;
3. At Step 3, within ten school days after the appeal is received.

If the grievance is presented in writing, the decision will be given in writing.

If a satisfactory resolution is not reached or if a decision is not rendered within the time limits at Steps 1, or 2, the employee may appeal the grievance to the next higher step. If a satisfactory resolution is not reached or if a decision is not rendered within the time limit at Step 3, the Union may appeal the grievance to the Grievance Panel. A Union initiated grievance may be appealed by the Union to the next higher Step of the grievance procedure.

EXPEDITED GRIEVANCE PROCEDURE

A grievance subject to this procedure shall be filed by the aggrieved employee at Step 2 with the Director of the Office of School Food and Nutrition Services within three school days from knowledge of the complained action.

The Step 2 hearing shall be scheduled, a hearing held, and a decision rendered within five school days of filing of the grievance with the Director of the Office of School Food and Nutrition Services.

A grievant appealing the Step 2 decision shall file the appeal with the Chancellor within three school days of receipt of the Step 2 decision.

The Step 3 hearing shall be scheduled, a hearing held, and a decision rendered within five school days from the filing of the appeal.

If the Step 3 award is unsatisfactory, the Union may file for arbitration; a hearing will be scheduled and a decision rendered within ten calendar days.

APPEALS TO THE GRIEVANCE PANEL (STEP 4)

A grievance which has not been resolved by the Chancellor at Step 3 may then be appealed by the Union to the Grievance Panel within 20 school days of the receipt of the Step 3 decision.

The Panel shall be composed of one representative of the Board, one representative of the Union and one other person, selected by mutual agreement of the Board and the Union, who shall be the Chairman.

Any costs relating to the participation of the Chairman shall be shared equally by the parties to the dispute.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement the Grievance Panel shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law;
2. Involving Board discretion or Board policy under the provisions of this Agreement, under Board By-laws, or under applicable law, except that the

Panel may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this Agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion;

3. Limiting or interfering in any way with the powers, duties and responsibilities of the Board under its By-laws, applicable law and rules and regulations having the force and effect of law.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement the decision of the Grievance Panel, if made in accordance with its jurisdiction and authority under this Agreement,

will be accepted as final by the parties to the dispute and both will abide by it.

If the Grievance Panel finds that a grievance as to out-of-title work should be sustained the Chancellor shall discontinue such out-of-title assignment as promptly as possible. The Grievance Panel shall have no authority to award back pay for out-of-title assignments.

With respect to all other grievances, if the grievance is not resolved by unanimous agreement of the Panel members and the employee at the conference, then a report and majority recommendation of the Panel shall be transmitted by the Chairman to the Chancellor. Within ten school days after the date the report and recommendation are received by the Chancellor, he/she shall indicate whether he/she will accept the Panel's recommendation. Unless the Chancellor disapproves the recommendation within ten school days after the date it is received by him/her, the recommendation shall be deemed to be his/her decision.

A recommendation of the Panel which has been approved by the Chancellor, or which has not been disapproved by the Chancellor within the ten day limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Panel, he/she shall notify the aggrieved employee and the Panel of his/her decision.

There shall be no taping by the Union's and/or the Board's advocates, nor any other individual present at the arbitration hearing, without the mutual consent of the parties.

ARTICLE XXII

DISCHARGE REVIEW PROCEDURES

It is the policy of the Board that the discharge of an employee should be based on good and sufficient reason and that such action should be taken by the supervisor having such authority only after he/she has given due consideration to the matter.

If a per annum or per monthly employee with more than one school term of continuous service is discharged, he/she shall be given a written notice of discharge at the time of such action, except where circumstances warrant an immediate discharge, in which case such notice and reasons shall be given within two school days after such discharge. Such employee will also, upon his/her request, be afforded an opportunity for a prompt and careful review of the discharge in accordance with the provisions of the complaint and grievance procedure as stated in Article XXI of this Agreement. This grievance shall be initiated at Step 2 of the expedited grievance procedure.

ARTICLE XXIII

EMERGENCIES

When schools or other work locations are closed on any working day because of emergency, employees who report for work at their usual starting time before a prior official announcement of the closing has been made by the Board and who are not given any other work assignment for the day will be paid and not be charged with annual leave for that day.

The Board's general policy concerning payment of administrative employees for any day on which they are directed not to report for work because of emergency conditions will apply to per annum and per monthly employees in the unit covered by this Agreement.

ARTICLE XXIV

PERSONNEL FOLDERS

Employees shall receive a copy of any evaluatory statement of their work performance or conduct which is placed in their permanent personnel folder. Employees shall be given an opportunity to answer any such evaluatory statement placed in their folder, and their written answer

shall be attached to the evaluatory statement in the folder. Any evaluatory statement with respect to the employee's work performance or conduct, a copy of which is not given to the employee, may not be used in any subsequent disciplinary action against the employee.

ARTICLE XXV

DAMAGE OR DESTRUCTION OF PROPERTY

Employees shall not be held responsible for loss of Board property when such loss is not the fault of the employee. This does not exonerate the employee from responsibility for Board property in his/her charge.

The Board will reimburse employees for loss or damage or destruction, while on duty in a school or area office, of personal property of a kind normally worn to or brought into a school or area office.

Employees will also be reimbursed for loss or damage or destruction, while on official duty on field assignments, of personal property of a kind normally worn or carried on duty when such loss results from force or violence reported to the police.

Reimbursement will be limited to a total of \$100 in any school year; will only be made when the employee has not been negligent; and will be granted to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "lost," "damage" and "destruction" shall not cover the effects of normal wear and tear and use.

ARTICLE XXVI

ASSISTANCE IN ASSAULT CASES

1. Supervisors shall be required to report all cases of assault suffered by employees in connection with their employment to the Executive Director of Personnel and to the Office of Legal Services.

2. The Office of Legal Services shall inform the employee immediately of his/her rights under the law and shall provide such information in a written document.

3. The Office of Legal Services shall notify the employee of its readiness to assist the employee as follows:

- a. by obtaining from police and from the supervisor relevant information concerning the culprits;
- b. by accompanying the employee in court appearances; and
- c. by acting in other appropriate ways as liaison between employee, police and the courts. This assistance is intended solely to apply to the criminal aspect of any case arising from such assault.

4. Should the Office of Legal Services fail to provide an attorney to appear with the employee in Family Court, the Board will reimburse the employee if he/she retains his/her own attorney for only one such appearance in an amount up to \$40.00.

ARTICLE XVII

SAFETY

While working in a school employees will be covered by the safety plan developed for the school and by the appeal procedures as described below.

A complaint by an employee that there has been a violation of the plan as to him/her, may be made to the principal, orally or in writing, as promptly as possible.

The principal shall render his decision within 24 hours after receiving the complaint.

If the employee is not satisfied with the decision of the principal, he/she may appeal in writing as promptly as possible to the community superintendent or the assistant superintendent, as may be appropriate.

The community superintendent or assistant superintendent shall render his/her decision in writing to the employee within 24 hours after receiving the appeal.

If the employee is not satisfied with the decision of the community superintendent or assistant superintendent, he/she may appeal in writing to the Chief Administrator of School Safety and request a hearing, as promptly as possible after receiving the decision of the community superintendent or assistant superintendent.

The Chief Administrator of School Safety shall render his/her decision in writing to the employee within 48 hours after receiving the appeal. If a hearing is requested, it shall be held within 48 hours and the decision shall be rendered within 48 hours after the close of the hearing. The decision of the Chief Administrator of School Safety shall be final and binding.

Where all school lunch employees in the school are affected, the Union may initiate a complaint on behalf of all school lunch employees.

C. Consistent with and subject to security requirements, the Board agrees to release paychecks on Thursday at 3 p.m. so that all employees who would not otherwise receive their paychecks during their regular working hours on Friday will receive them before the end of their working hours on Friday.

D. In the event that any payment is not paid on the date due under the Municipal Coalition Agreement, such payment when made shall be paid retroactive to such date due.

ARTICLE XXIX

IDENTIFICATION CARDS

The Board shall furnish identification cards to all employees who have served continuously for three months.

The loss of an identification card shall be reported immediately, and the card shall be replaced at cost to the employee. Upon separation from service an employee shall not receive his/her

final pay check until he/she has returned his/her identification card, or has submitted an appropriate affidavit of loss.

ARTICLE XXX

C. Agency Shop Fee

Effective the September 1977 payroll period or as soon thereafter as practicable, the Board shall deduct from the wage or salary of employees in the bargaining unit who are not members of the Union the amount equivalent to the dues levied by the Union and shall transmit the sum so deducted to the Union, in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The Union affirms it has adopted such procedure for refund of agency shop deduction as required in Section 3 of Chapters 677 and 678 of the Laws of the State of New York. This provision for agency fee deduction shall continue in effect so long as the Union establishes and maintains such

procedure.

The Union shall refund to the employees any agency shop fees wrongfully deducted and transmitted to the Union.

The Union agrees to hold the Board harmless against claims arising out of the deduction and transmittal of agency shop fees where there is a final adjudication by a court or arbitrator that said agency shop fees should not have been deducted and/or transmitted to the Union.

The agency shop fee deductions shall be made following the same procedures as applicable for dues check-off, except as otherwise mandated by law or this Article of the Agreement.

ARTICLE XXXII

It is understood that where another activity has already been scheduled in the school or other work location, there shall be no charge to the Union.

ARTICLE XXXVII

RESTRICTION ON UNION ACTIVITIES

No employee shall engage in Union activities during the time he/she is assigned to duty, except that members of the Union's negotiating committee shall, upon proper application, be excused without loss of pay for working time spent in negotiations with the Board or its representatives.

APPENDIX A

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees for the longevity increments provided for in Section 11 of the 1984-87 MCEA and Section 11 of the 1987-90 DC 37 Economic Agreement:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full-time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:

Dear Ms. Montgomery-Costa:

This is to confirm our mutual understanding and agreement pursuant to Section 4Bd of the 2002 District Council 37 Memorandum of Economic Agreement.

Effective with the 2006-2007 school year, the bargaining unit purchased three additional annual leave days each year, to be used exclusively for the mid-winter recess. DC37 and the Department agree that if employees are needed to work during this time period, the designated annual leave days shall be banked for use during a time when schools are not open for student attendance.

The cost to purchase the three additional annual leave days was 1.15%. The July 1, 2004 general wage increase was reduced to 1.85% effective July 1, 2006 to pay for the three additional days.

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours,
Dan Weisberg

Agreed and accepted on behalf of Local 372
