AGREEMENT MADE AND ENTERED INTO by and between THE BOARD OF EDUCATION OF THE CITY SCHOOL DISTRICT OF THE CITY OF NEW YORK (hereinafter referred to as the "BOARD") and BOARD OF EDUCATION EMPLOYEES LOCAL 372, District Council 37, American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as the "Union").

WHEREAS the Board has voluntarily endorsed the practices and procedures of collective bargaining as a peaceful, fair and orderly way of conducting its relations with its employees in so far as such practices and procedures are appropriate to the special functions and obligations of the Board, are permitted by law and are consonant with the paramount interests of the school children, the school system and the public; and

WHEREAS the Board, on March 8, 1962, adopted a Statement of Policies and Practices with Respect to Representation of Pedagogical and Civil Service Employees for Purposes of Collective Bargaining with the Board of Education (hereinafter referred to as the "Statement of Policies"); and

WHEREAS, pursuant to the Statement of Policies, the Union filed a request to be certified as the exclusive bargaining representative of all employees employed by the Board of Education in the day schools in the title of School Aide, and the Union demonstrated by satisfactory evidence that it represented a majority of employees in such title, and the Superintendent determined the unit to be appropriate, and the Board issued a Certificate of Exclusive Bargaining status on December 28, 1965; and

WHEREAS, an agreement heretofore entered into by and between the parties expired on June 30, 2005; and

WHEREAS, pursuant to Board policy and the Public Employees' Fair Employment Act, the Board and its designated representatives have met with representatives of the Union and fully considered and discussed with them, in behalf of the employees in the bargaining unit, changes in salary schedules, improvement in working conditions, and machinery for the presentation and adjustment of certain types of complaints, it is agreed as follows:

ARTICLE I

UNION RECOGNITION

The Board recognizes the Union as the exclusive bargaining representative of all regularly scheduled employees in the titles of School Aide, School Aide Level II (Supervising School Aide), and Health Service Aide (hereinafter referred to as "School Aides" or "Health Service Aides" or "employees").

During the term of this agreement should the Board employ a new title or category of employees having a community of interest with employees in an existing bargaining unit described herein, employees in such new title or category shall be included within the existing unit, and upon request of the Union the parties shall negotiate the terms and condition of employment for such new title or category of employees; but nothing contained herein shall be construed to require renegotiation of terms and condition of employment applicable to employees in the existing bargaining unit as a result of the Board's redesignation of the title or category of employees in the unit.

Nothing contained herein shall be construed to prevent any Board official from meeting with any employee organization representing school aides for the purpose of hearing the views and proposals of its members, except that, as to matters presented by such organizations which are proper subjects of collective bargaining, the Union shall be informed of the meeting and, as to those matters, any changes or modifications shall be made only through negotiation with the Union.

It is understood that all collective bargaining is to be conducted at Board headquarters level. There shall be no negotiation with the Union or its units at the school level or with any other employee group or organization at any other level.

Nothing contained herein shall be construed to prevent any individual employee from (1) informally discussing a complaint with his immediate superior or (2) processing a grievance in his own behalf in accordance with the complaint and grievance procedure hereinafter set forth in Article XX.

Nothing contained herein shall be construed to deny any employee his rights under Section 15 of the New York Civil Rights Law or under applicable civil service laws and regulations.

ARTICLE II
FAIR PRACTICES

The Union agrees to maintain its eligibility to represent all employees by continuing to admit persons to membership without discrimination on the basis of race, creed, color, national origin, sex or marital status and to represent equally all employees without regard to membership or participation in, or association with the activities of any employee organization.

The Board agrees to continue its policy of not discriminating against any employee on the basis of race, creed, color, national origin, sex, marital status or membership or participation in, or association with the activities of, any employee organization.

Involuntary changes of schedules of hours from one session to another shall be made on the basis of inverse seniority when not inconsistent with the needs of the location. School aides and health service aides shall have separate seniority lists.

2. Layoff and Recall

a. Definition

Seniority is defined as length of continuous service as a school aide or health service

aide in the district. In the high schools, seniority is defined as length of continuous service as a school aide or health service aide in the borough. In schools which are under the jurisdiction of District 75, seniority is defined as length of continuous service as a school aide or health service aide in the borough.

Contractual layoff and excessing rights of employees in the Chancellor's District, will continue to be applicable in the geographic superintendency where the school is located. No employee's contractual rights will be diminished or impaired by virtue of the school being transferred to the Chancellor's District. Any service accrued while in the Chancellor's District will be considered service in the school, as if it were still within the original geographic superintendency. In addition, an individual will accrue seniority as if the school were still in the original geographic superintendency.

For all other purposes while the school remains in the Chancellor's District, the Chancellor's District will become the jurisdiction of record.

With respect to the Chancellor's District, the parties agree that this section may be modified as needed, dependent upon the further development of the Chancellor's District, and to ensure that no existing contractual right of any person represented by Local 372 is diminished or impaired. Any modification shall be in writing and subject to ratification by the parties.

For purposes of this Section, "continuous service" is defined as uninterrupted service except that breaks of service caused by layoff, not to exceed four years, or other approved leaves with or without pay, as provided in Article XIII, shall not be deemed an interruption of service, but such limited period shall not be counted in the determination of length of continuous service.

b. Seniority List

A copy of the seniority list shall be given to the shop steward and Union staff representative and posted at each work location where employees are employed at the beginning of each school term.

c. Layoff

In the event of layoff of employees in the bargaining unit because of lack of work or funds, the employee with the least seniority in the district, or in the case of high schools and District 75 schools, in the borough, shall be selected for layoff except that an employee who would

otherwise be laid off on the basis of seniority may be retained only if and so long as he/she is performing duties which no other more senior qualified employee is able to perform.

d. Recall

Recall of employees who are laid off because of lack of work shall be made to available positions in the bargaining unit in the borough or district on the basis of greatest seniority except that an employee with less seniority may be recalled if he/she is required to perform duties that a more senior qualified employee on layoff is not able to perform.

e. Retention of Seniority

An employee in the bargaining unit who is laid off because of lack of work or funds and who is recalled within four years shall regain the seniority he/she had and shall be credited with the accumulated sick leave to which he/she was entitled at the time he/she was laid off. An employee who is not recalled within four years shall be considered terminated.

f. Notice of Layoffs

Employees and the union will be given ten working days notice of layoff except for compelling reasons. The Union will be given twenty working days notice of a mass layoff at a work location except for compelling reasons.

g. Substitute positions shall be available to regular employees in the bargaining unit on the preferred district, borough or special location layoff list on the basis of seniority, if such position is for more than one week. Substitute positions for one week or less shall be made available to employees laid off from the school. In schools where there have been no layoffs, the district or borough layoff list shall be used. This shall not prohibit a regular employee performing substitute work from being recalled to a regular vacancy or new position that becomes available in the bargaining unit.

h. When two or more employees with an identical seniority date in the bargaining unit are scheduled for layoff or recall, a lottery drawing shall be held to determine selection of the employee to be laid off or recalled. The Union representative shall be present at the lottery drawing. Only one such lottery drawing shall be necessary to determine seniority for the list.

i. Exceptions to this Article, based on qualifications, shall have the prior approval of the Community Superintendent, or for the High Schools of the appropriate Assistant Superintendent, or

for District 75, the Superintendent. Grievances arising out of such exception shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

j. If the Community Superintendent or the Executive Director of the Division of High Schools, or the Superintendent of District 75 approves such exception specifically for the purpose of layoff or recall of a more or less senior employee that employee shall file a Step 3 grievance within two days of knowledge of that decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 3 award is unsatisfactory to the employee an arbitration hearing will be scheduled and a decision rendered within ten calendar days.

k. Excessing

(1) If the need should arise to excess employees from one location to another, the employee or employees selected for that action will be the employee or employees with the least seniority in the district, or in the case of high schools or District 75, in the borough, from the group of employees in the location where the excessing is to take place.

(2) When two or more employees with an identical seniority date in the bargaining unit may be subject to excessing, a lottery drawing shall be held to determine selection of the employee to be excessed. A Union representative shall be present at the lottery drawing. Only one such lottery drawing shall be necessary to determine seniority for the list.

(3) The determination of employees' qualifications for changes in personnel status of employees shall be made by school supervisors or the head of the school.

ARTICLE XVII

TRANSFER OF SENIORITY

Hourly employees in titles covered under school aides and health service aides, hourly school lunch and film inspection assistants contracts who transfer to another title covered under the school aides and health services aides, hourly school lunch and film inspection assistants contracts shall be transferred without any loss to their seniority which shall be counted towards sick leave balances, vacation benefits, service compensation allowance and termination pay. Seniority

brought forth shall be counted for these purposes only and not for the purpose of layoff and recall or promotion.

ARTICLE XVIII

POLICY CONCERNING APPLICATIONS FOR POSITIONS

1. In Other Programs

School aide positions in Board summer programs will be posted. School aides assigned to high schools shall have a priority for school aide positions in Board summer programs in the borough of their assignment. School aides who apply in writing will be interviewed and the senior qualified applicant will be selected.

In the event that school aide positions in Board summer programs remain unfilled, the vacant positions will be offered to school aides serving in elementary, intermediate, or junior high schools in the district and special education programs in the borough, who have worked for two years in summer programs and who apply in writing. The senior qualified applicants will be selected. The Union will be notified in writing when exceptions based on qualifications are made.

2. In Other Schools

School aides may apply for positions as school aides in schools in the district, or in the case of high schools and District 75 schools in the borough, other than the one in which they are serving. A school aide with more than the equivalent of one school term of continuous service who applies in writing for an opening will be interviewed and, if deemed qualified, will be given preference over applicants outside the school system or employees on layoff for employment in another school.

For the purposes of this Section, “continuous service” is defined as uninterrupted service except that breaks in service caused by layoff, not to exceed four years, or other approved leave with or without pay, as provided in Article XIII, shall not be deemed an interruption of service, but such limited period shall not be counted on the determination of length of continuous service.

An “opening” is a vacancy created by the termination or transfer of a regularly employed employee or a new position to the work location or a position in a newly constructed work location, except that openings created by a transfer shall not be subject to the posting requirements of Article XXIX of this Agreement and shall be available only to those employees who have an

existing application for transfer to the school in question on file with the district office, or for High Schools with the Office of Personnel, and for Special Education with District 75.

Exception to this Article, based on qualifications must have the prior approval of the Community Superintendent or for high schools of appropriate Assistant Superintendent. Grievances arising out of such exception shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

In the event two or more employees are eligible for an opening, the employee with the earliest date of application will be given preference.

3. In Paraprofessional Positions

Notice of vacancies in paraprofessional positions in the regular day school program will be posted in the school and school aides and health service aides serving in the school will be interviewed for employment in such positions if they apply in writing. To the extent permitted by applicable law, the school aide applicant with the highest seniority in the school who is found eligible and qualified will be considered for employment in the paraprofessional position in the school before any applicant outside the school system is considered.

Paraprofessional positions in classes or facilities under District 75 shall be limited to school aides and health service aides in such classes or facilities. In the event that no one applies for such paraprofessional position other school aides in the school may apply pursuant to the above procedure except that the most qualified applicant shall be considered for employment before any applicant outside the school system is considered.

4. In The Breakfast Program

School aides serving in the day school who apply in writing for school aide positions in the day school breakfast program in their school will be hired, based on seniority, provided such employment does not prevent other employees in the regular day school program from securing five hour assignments.

5. School aides may apply and will be considered for openings in the Film Inspection Assistant title. An "opening" is a vacancy created by the termination of a regularly employed film inspection assistant employee or a new position assigned to the work location or a position in a

newly-constructed work location. The determination of qualification for employment in a particular work location shall be made by the supervisor in charge of the work location.

6. All openings shall be posted for seven school days in all schools in the district and central headquarters offices.

ARTICLE XIX

APPLICATIONS FOR ASSIGNMENT

Employees shall be given the opportunity to apply for any school aide assignment which becomes available in the school where the duties involved are limited to a particular function (e.g. work related to: library; attendance; supplies). The most senior qualified applicant shall be selected. A more senior applicant who is not selected shall, upon request, be given the reasons for not having been selected.

For this purpose, seniority is defined as length of service in the school, in the district, or if in a high school or special education location, in the borough.

Exceptions to this Article, based on qualifications, shall have the prior approval of the Community Superintendent, or for the High Schools of the appropriate Assistant Superintendent, or for District 75, the Superintendent. Grievances arising out of such exception shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

ARTICLE XX

COMPLAINT AND GRIEVANCE PROCEDURES POLICY

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reach an understanding which will dispose of the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the head of the school, a Union staff representative shall be permitted to meet with the employees in the unit during their non-working time, within the school, for the purpose of investigating complaints and grievances, under circumstances that will not interfere with school activities. A Union representative or shop steward shall be permitted to investigate grievances and complaints during working time provided such grievances require inspection of working conditions at the work location. When necessary, any employee in the unit who is a shop steward in the work location in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his/her grievance.

INFORMAL COMPLAINT PROCEDURE

It is desirable that any employee having a complaint should discuss it informally with his immediate supervisor or with any other appropriate level of supervision.

The employee should request an opportunity to discuss the matter, and the supervisor should arrange for the discussion at the earliest possible time. At such informal discussion, the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the work location or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

FORMAL GRIEVANCE PROCEDURE

If the matter has not been disposed of informally, an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period not to exceed 75 days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure.

Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedures of the agency having authority over such matters.

The grievance procedure does not apply to complaints concerning out-of-title work except that a complaint by an employee that he/she has been assigned continuously after July 1, 1980 for three months or more to the general duties and responsibilities prescribed for another title is subject to the grievance procedure. Other complaints as to out-of-title work are to be referred to the Executive Director, Division of Human Resources. It is understood, however, that complaints

of employees in title against out-of-title assignments made to other employees are subject to the grievance procedure.

If a group of employees has the same complaint, a member of the group may present the grievance in the group's behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violations of any term of this agreement. Such grievance shall be initiated with the community or assistant superintendent or with such Board official as may be appropriate.

Grievances arising from the action of officials other than the head of a school shall be initiated with and processed by such officials in accordance with the provisions of Step 2 of this grievance procedure.

Expedited Grievance Procedure

Grievances arising out of exceptions to seniority for layoff and recall shall be filed by the aggrieved employee within two days from knowledge of the decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 3 award is unsatisfactory to the employee he/she may file for arbitration and a hearing will be scheduled and a decision rendered within ten calendar days.

School Aides Level II (Supervising School Aides)

Where a grievance concerns unsatisfactory performance, or discharge, as the case may be, in the assignment as a School Aide Level II (Supervising School Aide), only employees with more than ten months of service as a School Aide Level II (Supervising School Aide) may file an expedited grievance (at Step 2) with the Superintendent, which may be appealed to the level of the Chancellor and to arbitration, to complain that the Principal's judgment was arbitrary and capricious.

A School Aide Level II (Supervising School Aide) who serves as such for more than ten months whose assignment is discontinued because of unsatisfactory performance as a School Aide Level II (Supervising School Aide) but who had served as a School Aide shall be returned to a School Aide position in the district in which the employee served as a School Aide Level II (Supervising School Aide).

Following is the procedure for presentation and adjudgment of grievances:

School Level (Step 1)

The employee shall initiate the grievance at Step 1 with the head of the school as the Board representative. For employees who work directly with the Committee on Special Education Chairperson the grievance shall be initiated with the CSE Chairperson.

District Level (Step 2).

If the grievance is not resolved at the first step, the employee may then appeal the grievance within 15 school days of receipt of the Step 1 decision to the Community Superintendent as the Board representative at Step 2 (for elementary and junior high schools) or for high schools, to the appropriate Borough Superintendent of High Schools, or to the Superintendent of District 75.

Board Level (Step 3)

If the grievance is not resolved at the second step, the employee may then appeal the grievance to the Chancellor within 15 school days of receipt of the Step 2 decision. The appeal at Step 3 shall be accompanied by the letter of appeal and decision at Step 2.

Representation

At each step, the employee may be accompanied by a Union representative and a shop steward or by an employee in the bargaining unit who is not an official or agent of another employee organization. At Step 1, the Union representative shall be the steward at the school or a Union staff representative, or both. At Steps 2 and 3 the Union representative may be a Union staff representative or the steward who represented the employee at Step 1, or both.

Conferences and Decisions

At each step of this grievance procedure, a conference shall be arranged by the Board representative, or his designee, with the aggrieved employee and his representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours, employees who participate shall be excused with pay for that purpose.

Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conference held under this procedure. If the grievance is not resolved at the conference, then a decision must be rendered by the Board representative. The decision at each step

should be communicated to the aggrieved employee and his/her representative within the following time limits:

1. At Step 1, within five school days after the grievance is initiated;
2. At Step 2, within ten school days after the appeal is received;
3. At Step 3, within ten school days after the appeal is received.

If the grievance is presented in writing, the decision will be given in writing.

If a satisfactory resolution is not reached or if a decision is not reached within the time limit at Step 1, 2 or 3, the employee may appeal the grievance to the next higher step.

A Union-initiated grievance may be appealed by the Union to the next higher step of the grievance procedure.

APPEAL TO THE GRIEVANCE PANEL (STEP 4)

A grievance, which has not been resolved by the Chancellor at Step 3, may then be appealed by the Union to the Grievance Panel within 20 school days of the receipt of the Step 3 decision.

The Panel shall be composed of one representative of the Board, one representative of the Union and one other person, selected by mutual agreement of the Board and the Union, who shall be the chairman.

Any costs relating to the participation of the Chairman shall be shared equally by the parties to the dispute.

The Panel shall set a hearing date for the appeal that is within 30 days following receipt of the appeal, and issue an award within 30 days following the close of the hearing.

Appeals involving exceptions to seniority based on qualifications shall take precedence over all other appeals.

With respect to grievances which involve the application or interpretation of the provisions of this agreement, the Grievance Panel shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this agreement or of applicable law or rules or regulations having the force and effect of law;
2. Involving Board discretion or Board policy under the provisions

of this agreement, under Board By-Laws, or under applicable law, except that the Panel may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion;

3. Limiting or interfering in any way with the powers, duties, and responsibilities of the Board under its By-Laws, applicable law, and rules and regulations having the force and effect of law.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement, the decision of the Grievance Panel, if made in accordance with its jurisdiction and authority under this Agreement, will be accepted as final by the parties to the dispute and both will abide by it.

If the Grievance Panel finds that a grievance as to out-of-title work should be sustained the Chancellor shall discontinue such out-of-title assignment as promptly as possible. The Grievance Panel shall have no authority to award back pay for out-of-title assignments.

With respect to all other grievances, if the grievance is not resolved by unanimous agreement of the Panel members and the Union at the conference, then a report and majority recommendation of the Panel shall be transmitted by the chairman to the Chancellor. No minority report shall be transmitted by Panel members. Within ten school days after the date the report and recommendation are received by the Chancellor, he shall indicate whether he will accept the Panel's recommendation. Unless the Chancellor disapproves the recommendation within ten school days after the date it is received by him, the recommendation shall be deemed to be his decision.

A recommendation of the Panel which has been approved by the Chancellor, or which has not been disapproved by the Chancellor within the ten-day limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Panel, he shall notify the aggrieved employee and the Panel of his decision.

There shall be no taping by the Union's and/or Board's advocates, nor any other individual present at the arbitration hearing, without the mutual consent of the parties.

The provisions of the formal grievance procedure outline above shall not be available for the use of employees with less than the equivalent of one school term of continuous service.

ARTICLE XXI

DISCHARGE REVIEW PROCEDURES

It is the policy of the Board that the discharge of an employee should be based on good and sufficient reason and that action should be taken by the supervisor having such authority only after he/she has given due consideration to the matter.

If an employee with more than the equivalent of one school term is discharged, he/she shall be given a written notice of discharge at the time of such action, except where circumstances warrant an immediate discharge, in which case such notice and reasons shall be given within two school days after such discharge. Such employee will also, upon his/her request, be afforded an opportunity for a prompt and careful review of the discharge in accordance with the provisions of the complaint and grievance procedure as stated in Article XX of this Agreement.

Such procedure will initiate at Step 2 of the expedited grievance procedure.

School Aide Level II (Supervising School Aide)

Where a grievance concerns unsatisfactory performance, or discharge, as the case may be, in the assignment as a School Aide Level II (Supervising School Aide), only employees with more than ten months of service as a School Aide Level II (Supervising School Aide) may file an expedited grievance (at Step 2) with the Superintendent, which may be appealed to the level of the Chancellor and to arbitration, to complain that the Principal's judgment was arbitrary and capricious.

A School Aide Level II (Supervising School Aide) who serves as such for more than ten months whose assignment is discontinued because of unsatisfactory performance as a School Aide Level II (Supervising School Aide) but who had served as a School Aide shall be returned to a School Aide position in the district in which the employee served as a School Aide Level II (Supervising School Aide).

ARTICLE XXII
PERSONNEL FOLDERS

Employees shall receive a copy of any evaluatory statement of their work performance or conduct which is placed in their permanent personnel folder. Employees shall be given an opportunity to answer any such evaluatory statement placed in their folder, and their written answer shall be attached to the evaluatory statement in the folder.

Any evaluatory statement with respect to the employee's work performance or conduct a copy of which is not given to the employee, may not be used in any subsequent disciplinary action against the employee.

ARTICLE XXII-A
SCHOOL AIDES LEVEL II (SUPERVISING SCHOOL AIDES)

1. a. Hours

The hours for this position will be a minimum of four hours per day for School Aides Level II (Supervising School Aides) with two or more years of continuous service in the bargaining unit.

Only in extraordinary circumstances, a district may apply to the Chancellor's Office to permit a waiver of the contractual provisions (Article VII) against split shifts for School Aides Level II (Supervising School Aides). A waiver request shall be based on special circumstances demonstrated by the district and will not be effectuated until the Chancellor or his designee has consulted with Local 372 and notified the district that the waiver has been granted. The Union may initiate an expedited grievance to complain that special circumstances were not present which would warrant the waiver.

b. Hiring and Selection

All School Aides Level II (Supervising School Aides) must have a high school diploma as a minimum educational requirement.

The Principal shall select the best qualified applicant from the employees and others seeking the position based on systemwide criteria.

School Aide Level II (Supervising School Aide) positions shall first be posted in each

school in the district for seven school days. For high schools, all references to “district” shall apply to the borough. All School Aides who apply for a School Aide Level II (Supervising School Aide) position in their school shall be interviewed. There shall also be a citywide posting for assignment to School Aide Level II (Supervising School Aide) at least once a year.

A School Aide who believes that he/she is the best qualified applicant and should have been selected for a School Aide Level II (Supervising School Aide) position may appeal the Principal’s decision in writing within five school days to the Personnel Director of the Division of Human Resources for a prompt determination. The decision by the Personnel Director is final and binding.

c. Seniority

School Aides assigned as School Aides Level II (Supervising School Aides) will retain the seniority they held as School Aides for the purposes described in the School Aide contract under the following articles:

Article VII - Assignment of Regular Work Schedules (except as modified in Section 1. a. of this Article XXII-A)

Article XI – Termination Pay Allowance

Article XII - Service Compensation Allowance

Article XIII – Leaves of Absence

Article XVI – Seniority Policy (except as modified below)

Article XVII – Transfer of Seniority

Article XVIII – Policy Concerning Applications for Positions

Article XX – Complaint and Grievance Procedures (except as modified below)

Article XXI– Discharge Review Procedures (except as modified below)

Articles XX and XXI have been modified as follows:

Where a grievance concerns unsatisfactory performance, or discharge, as the case may be, in the assignment as a School Aide Level II (Supervising School Aide), only employees with more than ten months of service as a School Aide Level II (Supervising School Aide) may file an expedited grievance (at Step 2) with the Superintendent, which may be appealed to the level of the Chancellor and to arbitration, to complain that the Principal’s judgment was arbitrary and

capricious.

A School Aide Level II (Supervising School Aide) who serves as such for more than ten months whose assignment is discontinued because of unsatisfactory performance as a School Aide Level II (Supervising School Aide) but who had served as a School Aide will be returned to a School Aide position in the district in which the employee served as a School Aide Level II (Supervising School Aide).

d. Sick Leave

Only employees who were newly hired after July 14, 1996 will be subject to the sick leave provisions of the 1995-2000 MCMEA Section 9(d). For the first three (3) years of employment, sick leave will accrue at one (1) hour for every twenty-two (22) hours worked, and at the beginning of the fourth year, one (1) hour for every twenty (20) hours worked. Incumbent employees, hired before July 14, 1996, who are assigned as School Aides Level II (Supervising School Aides) will continue to receive sick leave at the one (1) hour for twenty (20) hours worked formula. Employees newly hired on or after July 1, 2004 shall accrue sick leave at the rate of one (1) hour for every 24 hours actually worked for the first five (5) years of service.

e. Training

A five-day training program is mandated for all staff to be assigned as School Aides Level II (Supervising School Aides). In addition to the mandated training, training at the school level is strongly encouraged.

f. Other Provisions

All other provisions of the School Aide and Health Service Aide contract shall apply unless specifically modified by the parties in writing.

2. Layoff and Recall

a. Definition

Except as otherwise defined below, seniority is defined as length of continuous service as a School Aide Level II (Supervising School Aide) in the district. In the high schools and schools which are under the jurisdiction of District 75, seniority is defined as length of continuous service as a School Aide Level II (Supervising School Aide) in the borough.

Contractual layoff and excessing rights of employees in the Chancellor's District will continue to be

applicable in the geographic superintendency where the school is located. No employee's contractual rights will be diminished or impaired by virtue of the school being transferred to the Chancellor's District. Any service accrued while in the Chancellor's District will be considered service in the school, as if it were still within the original geographic superintendency. In addition, an individual will accrue seniority as if the school were still in the original geographic superintendency.

For all other purposes while the school remains in the Chancellor's District, the Chancellor's District will become the jurisdiction of record.

School Aides Level II (Supervising School Aides) who have at least ten months of continuous service and who have served in the School Aide Level I title shall have their School Aide Level I seniority added to their School Aide Level II (Supervising School Aide) seniority.

For purposes of this section, "continuous service" is defined as uninterrupted service except that breaks of service caused by layoff, not to exceed four years, or other approved leaves without pay, as provided in Article XIII, shall not be deemed an interruption of service, but such limited period shall not be counted in the determination of length of continuous service.

b. Seniority List

A copy of the seniority list shall be given to the shop steward and Union staff representative and posted at each work location where employees are employed at the beginning of each school term.

c. Layoff

1) In the event of a layoff of employees in the bargaining unit because of lack of work or funds, layoff shall be based on School Aide Level II (Supervising School Aide) seniority. A School Aide Level II (Supervising School Aide) who is laid off who has at least ten months of continuous service and who has School Aide Level I service shall remain in the district if the employee is more senior than the junior school aide in the district. A School Aide Level II (Supervising School Aide) who is laid off and who has less than ten (10) months of continuous service shall be returned to his/her former district if the employee has prior service as a School Aide Level I in the district and is more senior than the junior school aide in the district. If the employee has no prior service as a School Aide Level I, the employee shall be placed on the

district's School Aide Level II (Supervising School Aide) recall list. A junior School Aide Level II (Supervising School Aide) who would otherwise be laid off on the basis of seniority may be retained only if and so long as he/she is performing duties which no other more senior qualified employee is able to perform.

2) When two or more employees with an identical seniority date in the bargaining unit are scheduled for layoff or recall, a lottery drawing shall be held to determine selection of the employee to be laid off or recalled. The Union representative shall be present at the lottery drawing. Only one such lottery drawing shall be necessary to determine seniority for the list. The laid off employee/employees shall be covered by the above subsection 1).

d. Bumping

A School Aide Level II (Supervising School Aide) who has been laid off shall have the right to be placed in a School Aide Level I position if he/she has served as a School Aide Level I and there is a vacancy or an employee with less seniority as a School Aide Level I.

e. Excessing

1). If the need should arise to excess from one location to another, the employee/employees selected shall be the junior School Aide/Aides Level II (Supervising School Aide/s) at the work location. A junior School Aide Level II (Supervising School Aide) who would otherwise be excessed, may be retained only if and so long as he/she is performing duties which no other more senior qualified employee is able to perform.

2) When two or more employees with an identical seniority date in the bargaining unit are subject to excessing, a lottery drawing shall be held to determine selection of the employee to be excessed. A Union representative shall be present at the lottery drawing. Only one such lottery drawing shall be necessary to determine seniority for the list.

f. Recall

Recall of employees who are laid off because of lack of work or funds shall be made on the basis of seniority except that an employee with less seniority may be recalled if he/she is required to perform duties that a more senior qualified employee on layoff is not able to perform.

g.. Retention of Seniority

An employee in the bargaining unit who is laid off because of lack of work or funds,

and who is recalled within four years, shall regain the seniority he/she had and shall be credited with the accumulated sick leave to which he/she was entitled at the time he/she was laid off. An employee who is not recalled within four years shall be considered terminated.

h. Notice of Layoffs

Employees and the Union will be given ten working days notice of layoff except for compelling reasons.

ARTICLE XXIII

DAMAGE OR DESTRUCTION OF PROPERTY

Employees shall not be held responsible for loss of school property when such loss is not the fault of the employee. This does not exonerate the employee from responsibility for school property in his charge.

The Board will reimburse employees for loss or damage or destruction, while on duty in a school, school yard, bus loading area or a district or Central Board office, of personal property of a kind normally worn to or brought into a school or district office.

Employees will also be reimbursed for loss or damage or destruction, while on official duty on field assignments, of personal property of a kind normally worn or carried on duty when such loss results from force or violence reported to the police.

Reimbursement will be limited to a total of \$100 in any school year; will only be made when the employee has not been negligent; and will be granted to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "loss", "damage" and "destruction" shall not cover the effects of normal wear and tear and use.

ARTICLE XXIV

IDENTIFICATION CARDS

The Board shall furnish identification cards to all employees who have served continuously for three months. The loss of an identification card shall be reported immediately, and the card shall be replaced at cost to the employee. Upon separation from service an employee shall not receive his/her final paycheck until he/she had returned his/her identification card, or has submitted

an appropriate affidavit of loss.

ARTICLE XXV

SAFETY

Employees will be covered by the safety plan developed for the school and by the appeal procedures as described below.

Within ten days of the opening of school in September of each year, the principal will have a copy of the safety plan for the school posted on the bulletin board provided employees covered by this agreement. A copy will also be given to each employee upon request.

A complaint by an employee that there has been a violation of the plan as to him/her, may be made to the principal, orally or in writing, as promptly as possible.

The principal shall render his/her decision within 24 hours after receiving the complaint.

If the employee is not satisfied with the decision of the principal, he/she may appeal in writing as promptly as possible to the community superintendent or the assistant superintendent, as may be appropriate.

The community superintendent or assistant superintendent shall render his/her decision in writing to the employee within 24 hours after receiving the appeal.

If the employee is not satisfied with the decision of the community superintendent or assistant superintendent, he/she may appeal in writing to the Chief Executive of School Safety and Planning and request a hearing, as promptly as possible after receiving the decision of the community superintendent or assistant superintendent.

The Chief Executive of School Safety and Planning shall render his/her decision in writing to the employee within 48 hours after receiving the appeal. If a hearing is requested, it shall be held within 48 hours and the decision shall be rendered within 48 hours after the close of the hearing. The decision of the Chief Executive of School Safety and Planning shall be final and binding.

Where all employees in the school are affected, the Union may initiate a complaint on behalf of all employees.

3. Agency Shop Fee

Effective the September 1977 payroll period or as soon thereafter as practicable, the Board shall deduct from the wage or salary of employees in the bargaining unit who are not members of the Union, the amount equivalent to the dues levied by the Union, and shall transmit the sum so deducted to the Union, in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The Union affirms it has adopted such procedure for refund of agency shop deduction as required in Section 3 of Chapter 677 and 678 of the Laws of the State of New York. This provision for agency fee deduction shall continue in effect so long as the Union establishes and maintains such procedure.

The Union shall refund to the employees any agency shop fees wrongfully deducted and transmitted to the Union.

The Union agrees to hold the Board harmless against claims arising out of the deduction and transmittal of agency shop fees where there is a final adjudication by a court or arbitrator that said agency shop fees should not have been deducted and/or transmitted to the Union.

Such meetings may be held during the employees' lunch period or before or after working hours, at a place to be assigned by the head of the school, where other employees or children are not present. Union officials may attend such meetings.

If such meetings involve units from more than one work location the Union shall have the right to hold such meetings pursuant to the limitations found in paragraph 1, provided however, that if such meetings generate additional custodial fees, such fees shall be paid by the Union. APPENDIX A

LONGEVITY INCREMENT ELIGIBILITY RULES

The following rules shall govern the eligibility of employees for the longevity increments provided for in Section 11 of the 1984-1987 MCEA and Section 11 of the 1987-1990 District Council 37 Economic Agreement:

1. Only service in pay status shall be used to calculate the fifteen years of service, except that for other than full-time per annum employees only a continuous year of service in pay status shall be used to calculate the fifteen years of service. A continuous year of service shall be a full year of service without a break of more than thirty-one days. Where the regular and customary work year for a title is less than a twelve-month year such a school year, such regular and customary year shall be credited as a continuous year of service counting towards the fifteen years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the fifteen years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the fifteen years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above.

- a. Time on a leave approved by the proper authority which is consistent with the rules and regulations of the Personnel Director or the appropriate personnel authority of a covered organization.
- b. Time prior to a reinstatement.
- c. Time on a preferred list pursuant to Civil Service Laws Sections 80 and 81 or any similar contractual provision.
- d. Time not in pay status of thirty-one days or less.

Notwithstanding the above, such time as specified in subsections a, b, and c above shall not be used to calculate the fifteen years of service.

4. Once an employee has completed the fifteen years of “City” service in pay status and is eligible to receive the \$500, the additional \$300 or \$800 longevity increment, the \$500, the \$300 or \$800 shall become part of the employee’s base rate for all purposes except as provided in paragraph 5 below.

5. The \$500, \$300 and \$800 longevity increment shall not become pensionable until fifteen months after the employee becomes eligible to receive such \$500, \$300 or \$800 increment. Fifteen months after the employee becomes eligible to receive the \$500, \$300 or \$800 longevity increment, such \$500, \$300 or \$800 longevity increment shall become pensionable and as part of the employee’s base rate, the \$500 longevity increment shall be subject to the general increases provided in Section 4a of this Agreement.
